

# UP ON THE ROOF - Carole King/Gerry Goffin

4/4 1...2...1234

## Intro: 1st line

When this old world starts getting me down and people are much too much... for me to take

I climb right up to the top of the stairs and all my cares just drift... right into space

On the roof it's peaceful as can be and there the world be-low don't bother me

So when I come home feeling tired and beat I go up where the air... is fresh and sweet

I get far away from the hustling crowds and all that rat race noise..... down in the street

On the roof's the only place I know

Where you just have to wish to make it so

**p.2 Up On the Roof**

**So when I come home feeling tired and beat I go up where the air ...is fresh and sweet**

**I get far away from the hustling crowds and all that rat race noise..... down in the street**

**At night the stars put on a show for free, and, Darling, you can share it all with me.**

**I keep on tellin' you that**

**Right smack dab in the middle of town I found a para-dise that's trouble-proof**

**And if this world starts getting you down, there's room enough for two... up on the roof**

**Up on the roof, up on the roof, up on the roof, up on the roof.**
